

MDxHealth® PHYSICIAN PORTAL QUICK START GUIDE

MDxHealth's Physician Portal is a web-based application that allows you to order SelectMDx and ConfirmMDx tests through an electronic Test Requisition Form (TRF), view pending and completed TRFs, view reports based on specified criteria, and contact MDxHealth Client Services through a series of navigational tabs.

Sign In

Visit <https://mdxhealthsecure.com/> and enter your email address.

- ✦ Bookmark this web page for easy access.

Place an Order

- ✦ Click Start New Order on the navigation bar. Select either ConfirmMDx or SelectMDx to place an order.

View Orders

- ✦ Click Dashboard on the Navigation bar.

Search for a Completed/Saved Order

- ✦ Click Search on the navigation bar.
- ✦ Enter Account Name and search criteria to locate a Saved Order then click Search. This will display a list of orders based on the criteria submitted.
- ✦ Locate your order from the list. Screen displays all related orders along with the Order Date, Order #, Test Type, Account, Ordering Physician, Patient Name, Date of Birth, Specimen ID number, Status of Order, Copy of the TRF, and the Test Report.
- ✦ Click TRF or Report to view and/or download the desired information.

View/Edit Incomplete Orders

- ✦ Click Incomplete Orders on the Navigation Bar.
- ✦ Use the up and down arrows next to the appropriate column header or enter information in the Search field to locate an order.
- ✦ Click Edit in the last column to open and complete the order.
- ✦ Complete the TRF or choose Save Incomplete to finish at a later time.
- ✦ When you choose Click to Sign, the order will be submitted and will no longer appear on this list.
