

## Patient Value Program (PVP) Enrollment Form

Mdxhealth would like to invite you to participate in our PVP. The program is designed to gain a better understanding of the value Confirm mdx and/or Genomic Prostate Score testing provides patients.

**Enrollment:** February 16, 2024 to December 31, 2024

**Program Ends:** June 30, 2025

Mdxhealth will offer an out-of-pocket cost waiver to patients during this program for all patients willing to respond to a simple patient experience survey. As part of the program you must agree to completing a one-time simple physician experience survey. The survey data will be compiled to help better understand the impact of GPS and/or Confirm mdx results have on the patients.

By signing this enrollment form you agree to have your patients surveyed as well as yourself for the defined period above.
