

Patient Value Program

What to Expect

Your provider has chosen to participate in mdxhealth's Patient Value Program (PVP). This limited program is designed to help us gain a better understanding of the value the Select mdx test provides patients.

In exchange for your participation in a one-time patient experience survey, you will not be responsible for any out-of-pocket costs for the Select mdx test.

The survey data will be used to help better understand the impact of Select mdx results on patients.

Your participation is greatly appreciated.

For any questions, email patientfirst@mdxhealth.com or call 866-259-7001 (Monday - Friday, 6:00 AM – 4:30 PM PT).
